## What I've Been Fighting For

"What I've Been Fighting For"

><br>I'll love him now

>I'll love him always<br>I'll be there for him

>I'll be there with him<br>If he lets me

>I will go<br>If he allows me

>I will show<br>If he cares for me

>I will let him know<br>That I will always love him

><br>I know he's always cold to me

>But that's just a sign of care<br>I know that he's always threatening me

>But that's just a message of love<br>He always hides behind a shield

>With a gun in his hand<br>But when I'm there,

>The barrier slowly breaks down<br>And I can tell he's scared.

><br>He's scared of feelings

>He's scared of emotions<br>And that is why I'm here

>To lead him out of the dark<br>And show him the light

>And for him to know I'm here<br>

>I just want to take care of him<br>And show him what's right

>I want to lead him<br>To do the things that are right

>I want to show him how to love<br>How to feel

>How to care<br>And how to cry

>But I hope that when he does show his affectionof love<br>It's for me because that's what I've been fighting for
